

Walzerfahrt The Waltz

Die Walzerfahrt - hier geht es wirklich rund. Vielfältigste Gestaltungsmöglichkeiten machen sie zu einer beliebten Attraktion in jedem Freizeitpark.

Technische Daten:

Grundriß: Durchmesser: ~ 18m Höhe: ~1,7m Drehende

Plattform: Durchmesser: ~14m Schiene: Durchmesser: ~12m

Gondeln: 9 Gondeln à 4 Personen Kapazität: ~1100 Personen/h Antrieb: elektrisch Bremssystem: pneumatische Bremseinheiten Anschlußwerte: Antrieb: ~30 kW

Licht: ~ 5 kW Geschwindigkeit: Plattform: max. 6 U/min

2 x 40' OT Container Transport:

The Waltz - will delight young and old. Three dips and hills in the circular track, on which the platform rotates, create the waltzlike movement. The freely rotating gondolas add to the ride sensation. This ride can easily be transformed into a nostalgic ride, adventurous ride or any other phantasy inspired ride, by simply changing the decoration.

Technical Data:

Ground Dimensions: diameter: ~ 18m

Height: ~1,7m

Rotating Platform: diameter: ~ 14m Track: diameter: ~12m

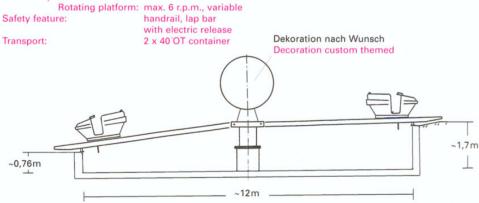

Number of Gondolas: 9 four-passenger

gondolas Capacity: ~1100 passengers/h

Drive system: electric Brake system: pneumatic brake units

Electrical requirement: Drive: ~30 kW Illumination: ~ 5 kW

Rotations per minute:

Grundriß
